If you require another class of service, you may consider purchasing your own flights and purchasing your land only package from RAD Nurses Travel.

**Airline Name Changes:** Any name change including minor spelling corrections may require airline reservations to be canceled and rebooked. Reservations are subject to current availability and pricing at the time of rebooking. Once airline tickets are issued, subsequent name corrections will be subject to an airline rebooking fee which may be as much as the full value of the airline ticket plus a \$50 revision fee per change. Name changes must be advised in writing at [info@legallypinktravel.com](mailto:info@legallypinktravel.com).

**Airline Taxes & Fuel Surcharges:** If you purchased airfare, airline taxes and fuel surcharges are included. Prior to completion of full payment there is a potential for a price increase(s) due to increases in government-levied taxes and fees and/or fuel surcharges. To avoid potential increases, you may choose to accelerate your final payment in order that your tickets may be issued. Once issued, airline tickets are no longer subject to potential increases but are fully non-refundable. Certain overseas domestic flights are subject to air taxes which can only be paid locally; in these cases, the specific flights and amounts of those taxes are indicated in our package presentation and pre-departure documentation.

RAD Nurses Travel tours have been designed to accommodate individuals as well as groups. Times listed in itineraries are approximate and meant only as guidelines. Some itineraries may have early morning start times for sightseeing in order to complete the touring during daylight hours or avoid afternoon heat in tropical and desert climates. It is your responsibility to arrive on time for all scheduled flights, cruises, and package components. Arriving late may be considered a "no-show", in which case you will not be eligible for refund for the unused service(s). We cannot guarantee the number of passengers who will be on any given tour. You may find that you are traveling with a sizeable group or only with your own companions. Services, however, will remain constant no matter the number of tour participants. Persons requiring any assistance or who have any form of disability should refer to section "Travelers With Disabilities". On dates including, but not limited to religious holidays and national celebrations, some monuments and sites may be closed. On these occasions, touring itineraries may be amended to reflect these closures. Occasionally, during holidays and certain periods, and/or due to unforeseen circumstances including weather conditions there may be last-minute changes, sometimes after arrival, in affecting the sequence of the tour, locations visited and/or hotels. Therefore, we reserve the right to adjust the sequence and/or substitute any hotels with others of similar category. In such cases there will be no cost adjustment. National monuments and tourist sites regularly undergo renovations, which can obscure the monument's view. No tour will be canceled due to renovations, however RAD Nurses Travel will decide based on the conditions whether to amend an itinerary. RAD Nurses Travel itineraries may contain suggestions for activities for your leisure time; these suggestions do not constitute an endorsement of any specific service provider and the decision to participate in any such activities should be made independently and with due consideration.

**Rail:** Once full payment is received, RAD Nurses Travel will select train times, rail tickets will be issued and are fully non-refundable. Except where requested in writing prior to final payment. Once the booked train has departed, changes are no longer possible, nor can amendments be completed on board the train. RAD Nurses Travel does not control seat assignments which are entirely at the discretion of the rail companies. Once rail tickets are issued, they are fully non-refundable and non-changeable.

#### Global Events

The following policies and procedures are applicable with response to global diseases/pandemics, natural disasters, border closings/quarantines, acts of God, and acts of war/terrorism, emergent situations, civil unrest or turmoil in the country (hereinafter "Global Events"), or any other reason and travel policies as applicable to all RAD Nurses Travel trips. By way of background, in recent years, there have been an onslaught of global illnesses that have had some level of contagion that have affected travel. In recent months especially, the prevalence of COVID-19 (commonly referred to as the "coronavirus") has had an impact on the travel industry including flight cancellations, trip cancellations, and more. This policy shall be applicable to any trip that is cancelled for any reason, either relating to a Global Event, or for any other reason. By booking this trip, you are agreeing to the following:

1. These provisions apply to COVID-19 or any other communicable disease that may arise or currently exists now or in the future, or for any reason listed above and below, or for any reason, even if unstated, in the sole discretion of RAD Nurses Travel.
2. RAD Nurses Travel has and reserves the right to cancel or terminate any trip at any time, in its sole discretion and at its sole determination. RAD Nurses Travel shall be able to cancel any trip for any reason or sole discretion, including, but not limited to: global pandemics/diseases, natural disasters, border closings/quarantines, acts of God, acts of war/terrorism, civil unrest or turmoil in the country or reason.
3. In the event that any trip is cancelled, for any reason, RAD Nurses Travel will not issue refunds of any payments made for any reason. Trips will be re-scheduled and attendees will only be entitled to credit for future trips. If an Attendee elects not to attend a trip for any reason other than RAD Nurses Travel cancelling the trip, the payment rules and provisions as stated in other sections of this Policy will prevail.
4. If any trip is cancelled, RAD Nurses Travel will solely provide email notification to attendees. Attendees are responsible for ensuring that they are checking their email and receiving emails from RAD Nurses Travel. RAD Nurses Travel is not obligated to give any other form of notice of trip cancellation. We will keep you updated in a timely manner, and if there is no notification as to cancellation you can proceed as planned.
5. Attendee understands and acknowledges that international travel is an ever- changing situation and RAD Nurses Travel will do its best to keep attendees reasonably informed of any changes that may affect the trip, for any of the reasons detailed above.
6. Attendees are required and responsible for obtaining adequate travel insurance to cover the trip. RAD Nurses Travel recommends that attendees acquire "cancel for any reason" insurance to better coverage. RAD Nurses Travel Policy on COVID-19 and Other Global Illnesses coverage in the event of a global "pandemic" or other level spread of illness or any other Global Event. - A. The cost of any travel insurance that Attendee procures.
  - B. The cost of any expenditures that Attendee incurs relating to any cancelled trip; or
  - C. Any costs that are denied coverage by travel insurance, either through claims or otherwise.
  - D. For the avoidance of doubt, by way of example, if Attendee's travel insurance will not cover a flight for a cancelled trip, RAD Nurses Travel bears no responsibility for covering or reimbursing Attendee for such expenditure.
  - E. Please also note that RAD Nurses Travel cannot delay payments or hold spots while Attendees wait to learn about travel insurance claims.
7. RAD Nurses Travel will closely monitor and will likely cancel any affected trip if the travel advisory for the country in which any portion of the trip occurs reaches a "Level 3" travel advisory within 8 weeks of the trip. RAD Nurses Travel has the right to cancel any trip even if it doesn't involve a travel advisory of Level 3, as well. Assessments regarding trips will be made on a case-by-case basis at RAD Nurses Travel's sole discretion.
8. RAD Nurses Travel will do its best to let attendees know if a trip is cancelled at least two (2) months prior to the trip. However, this time-frame cannot be guaranteed and is not always feasible due to of the ever-changing nature of such travel advisories and Global Events, especially with respect to global pandemics/diseases.
9. If RAD Nurses Travel offers attendees the option to cancel or change a trip, there will be a very specific and stated timetable or window for such attendee-determined cancellations. 11. For trips that are proceeding and are not cancelled, RAD Nurses Travel has the right to make changes to the itineraries and lodging, at its sole discretion.
12. While RAD Nurses Travel realizes that airline pricing fluctuates and can change instantaneously, RAD Nurses Travel advises that it may be prudent, with the nature of COVID-19 and other diseases, and Global Events, that Attendees may not want to obtain plane tickets extremely early with respect to the trip and may not want to book more than three (3) months prior to a trip, bearing in mind the fact that prices fluctuate. Ultimately, Attendee is responsible for her own airfare, and RAD Nurses Travel bears no responsibility for lost airfare or price increases or decreases in airfare, or lack of availability, even if a trip is cancelled for reasons outside the aforementioned reasons. RAD Nurses Travel Policy on COVID-19 and Other Global Illnesses

If Attendee is required to “self quarantine” or “self isolate” upon return to her country of origin or residence; or iv. Any costs associated with any such order whether they be direct or consequential (hotel costs, change fees, lodging, etc.) or incidental (loss in wages/employment, additional costs associated with quarantine, etc.).

E. Any credit used can only be applied to one (1) future RAD Nurses Travel trip with a value of at least 75% of the initial trip cost. Trip credit must be used by the end of the next full calendar year.

F. The usage of such credit will be applied to a trip with travel during the next calendar year. This means that the trip must be traveled or commenced by the end of the next calendar year, not that the deposit has been paid for a trip occurring two years out.

G. Trip credits will not be extended if the Attendee fails to use the credit or if the Attendee fails to book an available trip during the next calendar year.

H. No additional spots will be added to accommodate an Attendee who fails to book an open trip during the next calendar year.

I. Attendee can then notify RAD Nurses Travel of her intent to use the credit to be applied to that trip, and any remaining cost overage for the new trip will be split into equal monthly payments or Attendee can pay the difference in one payment immediately upon notification of the excess amount. RAD Nurses Travel Policy on COVID-19 and Other Global Illnesses

J. Attendee will be allowed to make one transfer, and will not be permitted to transfer to a different trip and make additional transfers.

Nurses Travel that it intends to use credit on a particular trip and RAD Nurses Travel sends a confirmation of the booking and any overage amount.
